

CASHU

Online Payment Leader in the Arab World

CASHU is a safe and secure online payment method that was established in 2002 by Maktoob.com. It is considered the first and the largest in the MENA region, serving millions of consumers with accessible and easy solutions to pay online.

CASHU is available at over 75,000 of credible and approachable vendors spread across every country and city within the MENA region. CASHU has made it easy to consumers to fund their CASHU accounts and shop online from merchants who accept CASHU as a payment method.

CASHU is built upon, and encapsulates the most sophisticated and up to date fraud prevention and AML systems, reducing the risks

associated with online payments for both buyers and merchants, which all allow for wider, safer and faster consumer participation in e-commerce.

Transaction currencies:

- euro (EUR)
- US dollar (USD)
- United Arab Emirates dirham (AED)
